

Volunteer Arlington Blog Submissions

The Volunteer Arlington Blog, found at VolunteerArlington.org, is a useful tool in offering insights, best practices and trends as they relate to volunteers and/or organizational support. It is also a space to highlight local volunteer stories.

As a benefit for our nonprofit and county partners, our monthly newsletter, "Arlington Cares", will feature two monthly blog links to include:

- An Opening Feature Article (on a pre-approved topic)
 - A Volunteer Spotlight

Criteria for Submission:

- To sign up for a monthly Blog/Newsletter Submission, please contact Lisa Fikes at lfikes@leadercenter.org to reserve your spot.
- Submissions are due to Lisa Fikes by the 15th of the month previous to the feature article.
- Blog post should be between 250-400 words.
- Any submitted pictures or videos (which we highly recommend) must have a signed copy of our "Permission for Use of Likeness" form for each person in the picture or video.
- This is not the space for direct sales or event promotion. Please keep in mind that this tool is for offering insights, best practices and trends as they relate to volunteers and/or organizational support. Or, it is to highlight the spirit of volunteerism as shared through our Volunteer Spotlight. Events or organizations might be mentioned as they relate to your point.
- Outside of grammatical edits, we will consult the author before adjusting any content.
